Project Planning Milestone 3

Deadline: 5/6/2022

You are required to:

1. Implement **one** of the papers that you formulated using any heuristic technique that you took in the course.
2. Compare with the results of the paper: check the results section in the paper and re-create the same graphs.
3. Evaluation : a presentation containing
   a. The motivation of the paper
   b. Problem formulation
   c. Algorithm used
   d. Results & comparison
      **please put some effort in your presentations

Project Weight: 20 %

- Millstone one : 5%
- Milestone two : 5%
- Milestone 3: 10 %

Good Luck ☺
